

# Creating Healthier Tomorrows

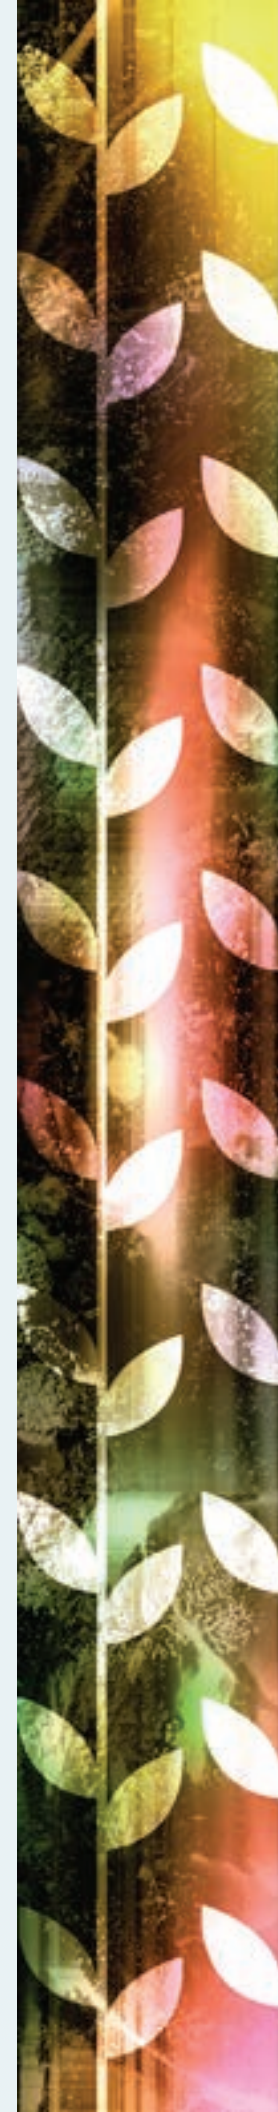

MAGEE-WOMENS  
RESEARCH INSTITUTE &  
FOUNDATION

**Women are at the center of Magee-Womens Research Institute.** Through the study of women's health, we are dedicated to transforming health care and creating healthier tomorrows. A leader in translational research, the Research Institute is equipped to translate discoveries made in the laboratory into viable treatments and practical care at the patient's bedside in a manner that no other research institute in the country is. Physician-scientists at the Research Institute are driven by the awareness that every new fact uncovered, every successful treatment, has the potential to improve the lives of women across the globe. Each day, they strive to challenge and overcome the boundaries of science, advance knowledge, and create a new standard of excellence.

Through the support and generosity of philanthropic partners, we have the opportunity to dramatically impact the future for generations to come. Thank you for joining with us as we create healthier tomorrows.

Jason and Madeline Strack, and their son Jason, presented staff of Magee's Neonatal Intensive Care Unit (NICU) with \$4,000 on behalf of the Strack Foundation. Each year, the Strack Foundation hosts the Aiden J. Strack Golf Classic in memory of Jason and Madeline's son, Aiden. Proceeds from the event support families of premature infants by funding expenses not covered by insurance, including travel and lodging.

Magee-Womens Research Institute & Foundation is grateful to our donors who fuel our research and enhance patient care and education. Your investment enables research that directly affects patient care today and contributes to a growing body of knowledge that will create healthier tomorrows in Pittsburgh and around the globe. Millions of women, infants, and men will benefit from your partnership with us. To pledge your continued support, visit [www.mwrif.org/donate](http://www.mwrif.org/donate) or call 412-641-8977.
